Color Match Game

Color Match Game

Color Match Game

Game Labels – mount on each file folder

How to Play:

Match each picture to its correct color.

© 2005, Arabic Learning Materials.

Game Name: **Color Match**

Skill Learned: Classification by Color

Game Includes: Ten color cards with grayscale shapes and 42 pictures for matching

© 2005, Arabic Learning Materials.

How to make:

1. Color the ten color cards. Cut them out and mount them inside file folders. You will need three file folders for this game.
2. Referring to the answer key, color and cut out the individual pieces. Mount them on tag board or some sturdy paper.
3. Cut out the game labels and mount them on the front of each file folder.
4. Cut out the "how to play" and mount it on the outside of each folder.
5. For durability, laminate the folder and game pieces. Store the pieces in a plastic baggie.

ANSWER KEY:

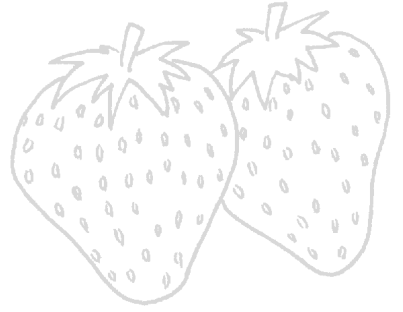

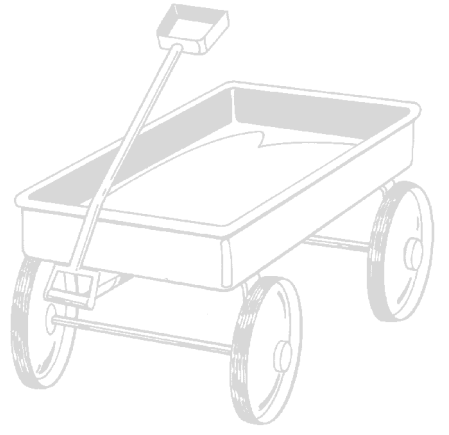

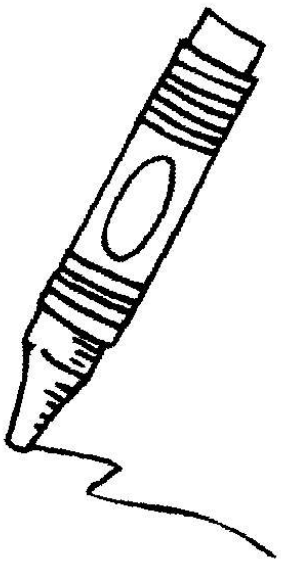

Ahmar – wagon, fire truck, apple, strawberries
 Azraq – jeans, boat, car, blueberries
 Banafsaji - eggplant, tricycle, grapes, flower
 Bortoqaali – carrot, car, peach, pumpkins
 Asfar – star, corn, sunflower, bus, banana
 Akhdhar – balloon, truck, money, cactus
 Buni – football, bread, hat, pineapple
 Abyadh – skate, telephone, glue, garlic, airplane
 Wardi – dress, carriage, flower, top, flower wreath
 Aswad – camera, doctor bag, pot, shoes

Please forgive me for not putting the answer key in Arabic text (and also forgive my transliteration) – it would be too time consuming and my Arabic typing is not that great.

For those who don't know the Arabic color names:

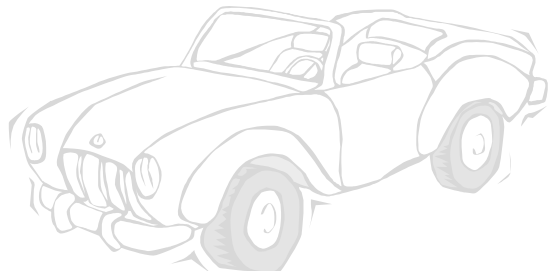

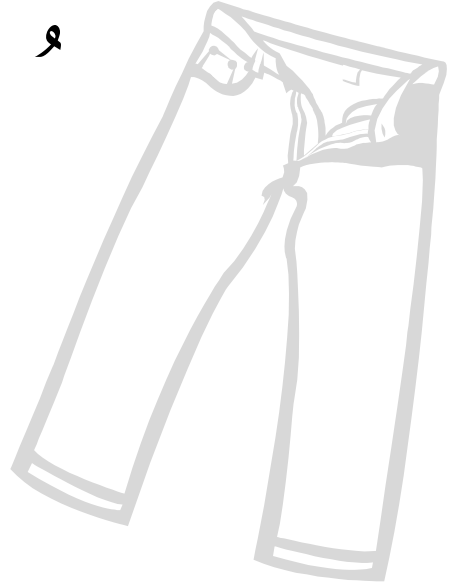

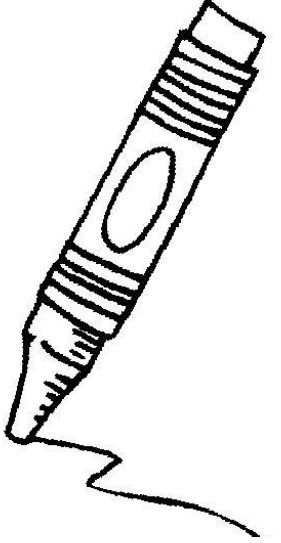

Ahmar (red), Azraq (blue), Banafsaji (purple), Bortoqaali (orange), Asfar (yellow), Akhdhar (green)
 Buni (brown), Abyadh (white), Wardi (pink), Aswad (black)
