

You Get the Boot!

TO MAKE THE GAME:

3. Print off each picture page two times. Also, if you prefer, turn over each page and print off the card backs (last page) onto the back of each page. I prefer to print onto cardstock and laminate the pages.
5. Cut out each card along the lines. Discard the extra BOOT card – you only need one BOOT card for this game.
6. The game is now ready to play!

PLAYERS: 2-4

AGES: 3 and up

OBJECT

Avoid being the person holding the Boot card at the end of the game and make the most sets of clothing.

PLAY

8. Deal out the cards to each player until all cards are gone.
9. The players all look at their cards and place any matching pairs face up in front of them.
10. Take turns picking a card from another player's hand.
11. If the card makes a pair with one in their hand, they place the pair in front of them. The player continues until they pick a card that does not make a match.
12. Continue to take turns drawing cards from other players.
13. Play stops when one player matches all of their cards.
14. The player with the BOOT card loses the game.
15. If there are more than 2 players, the remaining players then count the total pairs for each player. The one with the most pairs is the winner.
